

We want to give a huge thank you to everyone who helped with our First Responders Appreciation Breakfast/Luncheon! The depth of everyone's support for this event was overwhelming, from the donation of food, beverages, and time to serve. Throughout the day, we had 23 volunteers who served 35 first responders. Volunteers also delivered food to some stations where the first responders weren't able to join us at the church so that everyone could be included! Volunteers greeted each first responder with cheers and a standing ovation for their service to our community. An added thank you goes out to Thrivent for generously giving us an Action Team to help defray costs. This heart-warming event wouldn't be a success without all of your support! Thank you!
