

Important GWOH/SAM announcement:

Due to health and safety concerns, the joint GWOH/SAM committees have made the decision to postpone God's Work - Our Hands Day of Service luncheon and projects which were scheduled at the Synod Center on September 12. We will reschedule at a later time. We apologize for any inconvenience this has caused.

Worship will still take place at 10:30 AM at the Synod Center, 2354 Grove Road - (turn left off Schoenersville Rd. - opposite the Oasis Restaurant). Facemasks are required.

The **car wash** by the youth under the direction of Josh Gulotta is scheduled for Sunday, September 26 from 1-3 PM at Light of Christ; the rain date is Sunday, October 3.

Eyeglass and hearing aid collection will continue through the end of September; please place your items in a Ziploc bag and bring them to St. Peter's on Saturdays or LoC on Sundays.
