In Person Indoor Worship This Weekend

Indoor, in person worship on October 11, 2020 will be held on the Light of Christ campus at 8:00 AM and 11:00 AM. It will be wonderful to be able to gather "face mask" to "face mask". Although we will still need to keep a six-foot social distance, we will be able to see everyone's bright smiling faces above their facemasks.

When you enter the church building, you will be greeted by an usher who will instruct you where you should sit. Likely you will not be sitting "in your normal" seat. Accept the change in seating as an opportunity to see things from a different perspective. Holy Communion will be administered differently from our usual custom. Flexibility is a word you will hear often, and your cooperation is greatly appreciated and expected. We are all working together for the common good.

As leaders of our congregations we are doing our best to open our buildings and keep everyone safe. We know that we cannot meet everyone's needs and desires at this time. Be patient with us and with each other. Be flexible and accepting as we work together. Please keep our leaders and staff in your prayers as we work to return to our "new" normal.
