

Hello members,

The Unity Team is forming a new subcommittee as follows:

1. Mission Statement (contact Kevin Remaly = kevremaly@gmail.com)

- responsibilities include reviewing current mission statements of all 3 congregations and forming a new, combined, and all-inclusive mission statement as we begin to celebrate the path of becoming Blessed Trinity. The mission statement will include part of who we are, what we do, what our purpose, and more! What an exciting opportunity for members to come together and create a statement of what defines us! No experience necessary, just thoughts and words.

Thanks,
Joe, Nancy, and Kevin
