

Transition Team Update/FAQs January 2022

The Joint Congregation Councils and the Transition Team have called a Town Hall meeting to receive and discuss proposals for the uniting of Light of Christ, St. Peter's and St. John Windish Churches. We are preparing answers to some Frequently Asked Questions (FAQ) about this process.

Here are the first FAQs:

Q: When and where will this meeting take place?

A: January 23, 2022 at St John's Windish after 10:30 worship.

Q: Who are invited to take part in this meeting?

A: All members of the three communities of faith. This will be the only meeting for all three.

Q: What will happen at this meeting?

A: The Transition Team will present the most recent sub-committee reports and recommendations and will encourage questions and discussion.

Q: What will happen after the Town Hall meeting?

A:

- The Transition Team will review and compile all of the questions, concerns, and discussion and incorporate them into final sub-committee reports.
- A date will be selected for all three congregations to have separate congregation meetings to vote on the proposal to unite the three communities of faith (congregations) into one community of faith. Each congregation will need to vote separately, but ideally at the same time and on the same date as the other congregations.

Q: Will there be a provision for offsite voting (shut-ins,etc) when we vote to combine the three churches.

A: No. The constitutions of LoC, StP, and SJW do not allow this. Only in-person votes by active members are permitted per the church constitutions.

In preparation for the upcoming congregational meetings and votes, please fill out communion cards and drop them in the basket with your offering.
